Condition Monitoring is Changing the Role of the Electrical Technician  
Tim Thomas, Senior Applications Engineer, Baker Instrument Company (an SKF Group Company)

12.00 - 12.30

A Case Study in Design-Out Using Vibration Analysis  
Nick Williams, Consultant Engineer, Advanced Maintenance Solutions Ltd

12.45 - 13.15

Advances in Antimicrobial Protection for Food Grade Lubricants  
Colleen Flanagan, Category Portfolio Manager - Specialty Fluids & Food Grade Lubricants, Petro-Canada Lubricants

13.30 - 14.00

Understanding Maintenance Key Performance Indicators  
Simon Mills, Training Services Director, AV Technology Ltd

14.15 - 14.45

Best Practices in Maintenance  
Quentin Thom, Board Member, Siveco Group, France

Thursday 4th March

10.45 - 11.15

Problems Encountered when Overhauling Old Plant  
David Bates, Member, Professional Sector Council, SOE/PlantE

11.30 - 12.00

Laser Alignment - The Cost of Mis-alignment  
Phil Gray, Director, Monition-Fixturlaser UK

12.15 - 12.45

Lubrication Management  
Simon Parnell, Sales Manager, Rocol Lubricants Ltd

13.00 - 13.30

Major Cost Savings from Condition Monitoring  
Ian Pledger, FIS Field Service Engineer, Schaeffler (UK) Ltd and Ian Taylor, Director, Ian Taylor PCM Ltd

13.45 - 14.15

Institute of Diagnostic Engineers

11.15 - 11.45

Benchmark Values to Improve the Energy Efficiency of Compressed Air Systems  
Chris Dee, Executive Director, British Compressed Air Society Ltd

12.00 - 12.30

Using integrated CMMS and OEE Systems to underpin TPM and Operational Excellence Programmes  
Alan France, Operations Director, Idhammar Systems & Brian Cree, Manufacturing Performance Manager, British Bakeries

12.45 - 13.15

Visual Insight into Bearing Defect Detection Using Vibration  
Dean Whittle, Managing Director, Reliability Maintenance Solutions

13.30 - 14.00

Thermography- Principles and Practice  
John Willis, Training Manager, Flir Systems Ltd

14.15 - 14.45

A Focus on Maintenance Innovation  
Lee Weatherly, Chief Executive Officer, Midland Group Training Services Ltd
