TRADE SHOW FOR GRANULES, POWDER & BULK SOLIDS TECHNOLOGIES

SOLIDS EUROPEAN SERIES

► NETWORKING AT EUROPEAN LEVEL

The Solids Series are Europe's largest series of expert trade shows focused exclusively on powder and bulk solids technologies. It's about solids processing, handling, storage and transport.

Why join us

- Access to the European solids community
- Key industry influencers
- International business and trading relationships
- Mainstream press coverage
- All venues are located in the center of economically important regions and within direct reach of bulk cargo facilities
- Professional networking in a relaxed atmosphere

► PROFILE EXHIBITORS

- Dosing, weighing & measurement equipment
- Separators, sieves & filters
- Transport equipment
- Mixing & homogenisation
- Mechanical engineering
- Bulk packaging
- Warehousing & transhipment
- Grinding & shrinking
- Process automation
- Quality control, samples & research
- Combined & multimodal transport
- Dryers & dry equipment

► CONNECTING COMMUNITIES

The individual shows are renowned for being the most important business platforms for the powder and bulk solids community within their regions. Decision-makers visit the shows to meet new business contacts, get an update of the latest developments and of course to network in the heart of this sector.

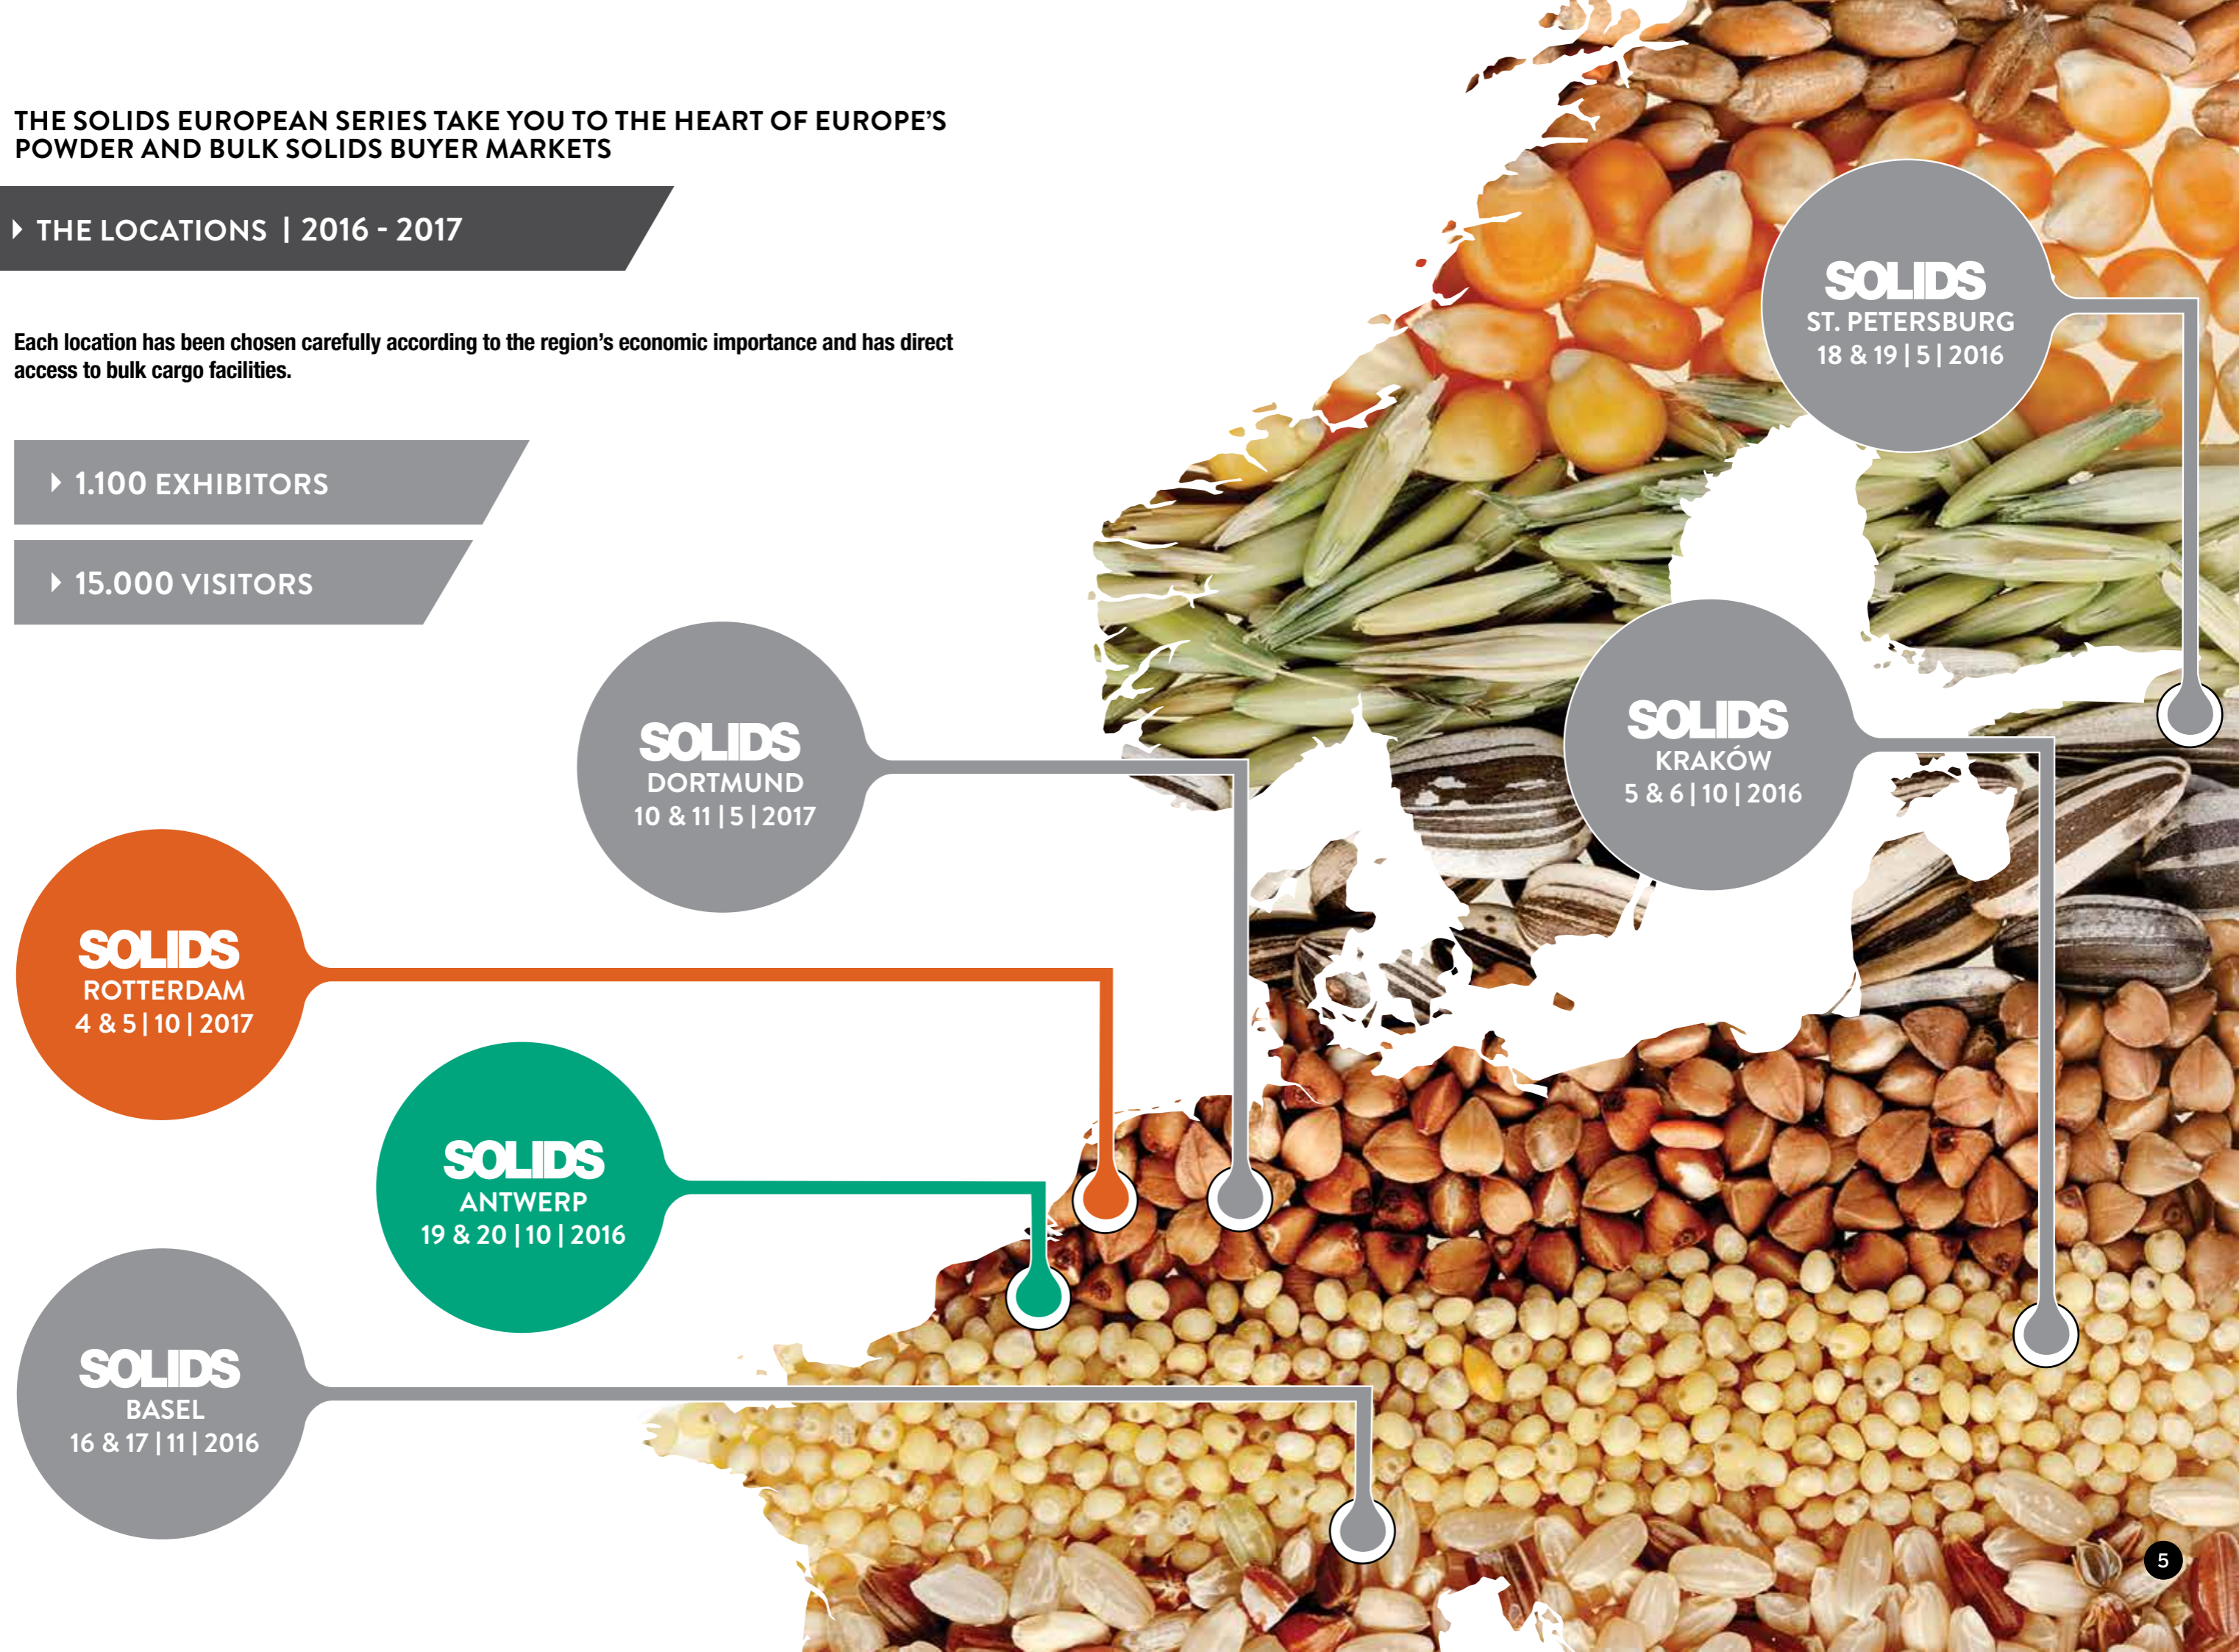

THE SOLIDS EUROPEAN SERIES TAKE YOU TO THE HEART OF EUROPE'S POWDER AND BULK SOLIDS BUYER MARKETS
