

Plastteknik

The leading trade show for polymer production,
materials & industrial design in the Nordic region

Nordic

2016

13 & 14 April 2016, Malmömässan, Malmö

Visitor quotes

"I am here looking for suppliers and so far it looks good. What I am looking for seems to be here. This is the first year I am visiting the show and I think it lives up to my expectations. I will be coming back next year too."

Eddie Hedin, Engineer, Höganäs AB

"I came to the show to see what's on offer and get ideas, and I got stuck already at the first stand, and I feel that I've got good inspiration!"

Mia Andersson, GDL, Volvo Cars

"The main reason why I came here was to find new material. It's my first time here and I've noticed that there are a lot of interesting people and exhibitors to talk to and get inspired by. I've seen many good products here today."

Maaten de Greene, Product Designer, Zebra A/S

"Plastics are the future. I came here to get closer to plastics and to find out about metal replacement. I am working on developing a product and therefore want to use plastic instead of aluminium. From what I've seen here at the show, the chances are good of me finding a supplier. I've got what I wanted from the show and really feel that I've got greater insight into plastics technology."

Anders Nilsson, Product Developer, ÅF-Industry

"The main reason I came here was to find new suppliers."

Emil Byström, CEO, Spin Chem AB

"I'm looking for material for a new product we are developing. Despite just having arrived, I definitely think I will find what I'm looking for. There are lots of exciting things to find out about."

Göran Håkansson, Designer, Arjo Huntleigh

"We have come here every year, and this show, like the others, is very good. A big range, and those of us looking for a specific product definitely think we can find what we are looking for."

Jan Guldberg, Senior R&D Engineer, Ambu A/S

Visitor quotes

“A think it is an incredibly good show for suppliers, and for us to meet existing customers and make some more contacts.”

Jimmy Möller, Sales Manager, INEOS Compounds Sweden

“I am here to find new technologies for product development. From what I’ve seen here today, we will almost certainly come back next year.”

Henric Yngveus, Senior Supply Manager, Tetra Pak Packaging

“I’m visiting the show to get inspiration and see new products in plastics technology. I think it has lived up to that. It’s good that it is in Malmö too; it’s easy to get here.”

Mats Larsson, CEO, MA-Konsult Osby

“I came here with the aim of finding a new manufacturer for an old product. The product I want to make is 60 years old, but the manufacturer disappeared from the market 40 years ago. So I simply want to find someone else who can help me manufacture my product. From what I’ve seen here, I am extremely optimistic. We have come here every year and can say that the show is maintaining the same good quality this year too. There are potential manufacturers for us here. It was a good mix of exhibitors from all the Nordic countries as well as England and Germany, which was appreciated.”

Preben Bailey, MD, Thornberg-Bailey AB

“It is the second time I come here and I came to find producers and companies who wants to export to the Middle East. The first day of the event was really successful to me in terms of finding interesting exhibitors and producers. Overall it went well and I’d be happy to return next year.”

Samer Tinawi, Marketing & Sales Consultant , Saudi Arabi & GCC

“We are completely new here in Scandinavia so this is a very good way of seeing the market.”

Hagen Mosser, Sales Manager, Evotech GmbH

Visitor quotes

"I came here to meet our current suppliers and to do business. I think it looks really good. Many of those we already work with are here so I think this is a good meeting place for people in the trade."

Stig Scholander, Technician, IKEA Component

"We are here to find suppliers in the vehicle industry. We usually come here to visit the show."

Jacky Thang, Project Leader, PE Plast AB

"We are here to network and see what's on the market, and maybe to find new suppliers for injection moulding and material manufacturers. We found what we expected."

Richard Lingemark, Project Purchaser, Toyota Material Handling Mjölby

"We usually visit the show when it is convenient. We are here analysing what the show has to offer."

Troels Johansen, Senior Product Dev. Designer, Coloplast A/S

"First impressions are that there is a lot to learn about, many new impressions. This is the first time I am a visitor to the show. It feels like the right kind of companies are exhibiting. We have collected information for a colleague and look forward to more during the day."

Lars Ridell, Prototype Mechanic, Operator, Volvo Lastvagnar

"I'm looking for rubber distributors and I have big expectations for today."

Matteo Forlani

Business Unit Manager, Ultrapolymers Group

"We are here to meet suppliers and to see new ideas. It is the first time at a show with this specialisation for me. There are a lot of new things compared with other shows."

Christer Widéen, Purchasing Manager, SNA Europe Industries AB

Visitor quotes

“The show meets our expectations and its purpose. I like seeing so many Danes here.”
Dan-Ola Svensson, Technical Manager, Clariant Plastics & Coatings

“We are here to learn more about what there is in the trade as we work a lot with plastics and software. We are here to meet old colleagues and also to make new contacts. We have a goal to speak to a number of suppliers, some existing and some new, which we have done. It’s a good show and we will probably be back again next year.”

Niklas Persson, Laboratory Engineer, Perstorp AB

“We are here to find suppliers for our injection moulding plant and also to find some spare parts. We know a lot of suppliers from before, but it’s always good to keep your eyes open for something completely new. This is a good way to get out and see what’s on the market.”

Fredrik Löfvall, Toolmaker, Baxter

“We are here to see and learn about the industry, but above all to see new things in material and design methods. There’s a good chance of us coming back next year. It is a good way to network with people in the trade.”

Peter Kovacs, Industrial Designer, ID Konsult

“We are here to find a prototype manufacturer. We have made contact with several manufacturers and are very positive of potential business. It is the first time we are here but we will definitely be back next year.”

Edon Ramadani, CEO, Everyday Solutions Sweden AB

“I’m in charge of purchasing and I’m here to meet suppliers. Many existing suppliers are here but we are always open to new contacts. It is the right size of show and it is noticeable that it is more of a Nordic show with a lot of Danes.”

Elinor Dahlstrand, Purchasing, Elasto Sweden AB
