

PRESS RELEASE

**CUTTING EDGE TECHNOLOGY AND SINGAPORE PAVILION AMONG THE
HIGHLIGHTS FOR TANK STORAGE ASIA VISITORS**

London, UK (22 August 2017) – Access is completely free to the world-class exhibition at **Tank Storage Asia**, to be held in **Singapore** on **27th and 28th September**.

The exhibition will feature over 80 international and local suppliers showcasing a broad range of the latest products and services. Exhibitors will reflect the entire supply chain, from tank design, construction and maintenance, through to innovations in metering and measuring, pumps and valves, automation and loading equipment and inspection and certification services.

Highlights of the exhibition will include:

- A **Singapore Pavilion**, where local companies from the world's second largest oil and gas trading hub will be exhibiting with the financial support of the Singapore Manufacturing Federation and iMAP funding initiative. Companies participating include Fire Fighting Systems (Far East) PTE, Viscoy, Dynaglass, NETZSCH Asia Pacific, UL International Singapore, Aquila Nova and Ichinose Emico Valves.
- **Timm Elektronik**, in conjunction with partners **OSK Industrial** and **Implico**, will be presenting three of its products: the EUS-2 Overfill Prevention Controller (named "Most Invaluable Product" at this year's Tank Storage Awards), the new SEK-3 Marine Grounding System for equalisation of oil tankers, and the EKX-4 Grounding Control Device for grounding of tank trucks, silo trucks and railcars as well as containers, barrels and similar vessels.
- **Labuan International Business and Finance Centre** (IBFC) will also be presenting its range of services and products, with a specific focus on its GIFT (Global Incentives for Trading) programme.
- **KROHNE**, a world-leading supplier of custody transfer metering systems and other outstanding industrial process instrumentation, will be showcasing its breakthrough technology OPTIMASS 2000 S400, a large diameter mass flowmeter for bulk measurement and custody transfer of liquids and gases.

The event is supported by **Horizon Terminals, Stolthaven Terminals, the Singapore Manufacturing Federation, the Independent Power Producers' Forum, RVB Tank Storage Solutions** and **the Corrosion Association Singapore**. The official show sponsors are Emerson Automation Solutions, Labuan, Krohne and Rotary.

Visitor registration is now open; anyone wishing to attend the exhibition or conference can register online.
