In 2023, we took the 11th spot in the world's top event companies (Stax annual ranking). We were also the third-highest climber, moving up from 19th position last year, which is a testament to our spectacular post-COVID rebound.

The Stax Top 20 Ranking evaluates the event industry's leading players based on their exhibition-organising revenues.

In 2018, Easyfairs picked up the Entrepreneur of the Year[®] Award. Organised by EY, the title is reserved for the corporate elite and rewards companies that stand out. It recognises businesses for their innovation, strategy, competition, openness to the world and exemplary management.

In 2023, we earned the Gold Best Managed Companies award for the fifth year running. The programme, coordinated by Deloitte, Econopolis and KU Leuven, rigorously evaluates participants against a proven global framework. This includes a clear long-term strategy, extensive capabilities, strong commitment and excellent financial performance.

We were delighted to win the UFI Education Award in 2017 and the UFI HR Award in 2023. These accolades recognise the role that talent development plays in Easyfairs' growth strategy and honour the most successful, creative, and innovative HR initiatives in the events industry.

In 2024, Easyfairs has been recognised for its sustainability strategy and results, receiving the prestigious ESG Award from Exhibition News. This accolade acknowledges team members' dedication to Environmental, Social, and Governance initiatives.

We're certified as a Great Place to Work[®] in Germany, Switzerland (2023) and Belgium (2019). The certificate recognises great workplace cultures and is awarded on an assured procedure based on anonymous feedback from employees and the analysis of HR measures and programmes.
