Our mission

Visit the future

We serve communities, give them a vision of their future, foster connections and offer a life-changing experience.

Our vision

We aim to be the foremost pan-European event organiser, harnessing our leadership across key industry verticals to accelerate growth and expand our presence in North America and beyond.

Our network of venues will continue supporting our current and future top-tier geographical positions.

We strive to achieve this vision by being a frontrunner in sustainability, technology and talent management.

A multiple award-winning company

Easyfairs is one of the world's top 20 exhibition organisers according to the annual STAX ranking, which is based on exhibition-organising revenues.

Easyfairs is certified as a Great Place to Work® in multiple European countries and named a Sunday Times Best Place to Work in the UK—recognising our inclusive culture, employee wellbeing, and commitment to excellence across all teams.

In 2025, Deloitte named Easyfairs a Best Managed Company for the seventh consecutive year, awarding us Platinum status. BMC evaluates companies based on their strategy, capabilities, commitment and financial performance.

Easyfairs won the UFI Education Award in 2017 and the UFI HR Award in 2023. These accolades recognise and honour the most creative and innovative HR initiatives in the events industry.

In 2024 Easyfairs received the UFI Sustainable Development Award. Our submission covered both the intrinsic sustainability of our business model and overall roadmap.

In 2024 Easyfairs received the UFI Digital Innovation Award, which recognises how we deploying artificial intelligence to enhance operations and customer experience.

Our growth strategy

Visit the future

A new chapter of growth and expansion

2024

Cobepa and Inflexion join
Founder Eric Everard
to support Easyfairs' growth ambitions.

How we're driving expansion

Organic growth

- Launch new events
- Geoclone successful events

Acquisitions

- Strengthen existing clusters
- Enter new verticals, geographies or event formats
